OUT ON THE LIMB

with George Vierhuis

FRINGE BENEFITS IS A term that is used a great deal these days during salary negotiations.

And it is amazing what these benefits add up to in most instances. We doubt very much that the average salaried person realizes what the dollar value amounts to for the "fringes" he gets.

We suppose it could be said that they get a salary with a fringe on top...

But that would be a little too corny.

It was quite revealing to us, for example, in studying the recent cost analysis of employee benefits for the City of Campbell prepared by City Manager Bob Stephens to learn just what the city shells out in extras above salaries.

And the City of Campbell which employs 109 people is really just small fry in comparison to other employers.

Still it is quite a chunk.

-0-

ACCORDING TO ANALysis, the annual payroll for the 109 employees of the city now totals approximately $1,244,000.

Over and above this figure, according to Bob's report, it costs the City about $341,000 in benefits.

That amounts to about a third of the payroll.

Of course, that does not mean that every city employee receives a third more than his pay check in "fringe benefits" because all employees, obviously, don't receive the same benefits.

The report of the city manager indicates, for example, that the average dollar value of benefits to employees other than police and firemen is $2,668.

For police, the figure is $3,693 and for firemen it is $3,643.

The overall average is $3,216.

In the not too dim past we recall when that would have been considered a fair annual salary by itself.

But that was when the $ had a different value.

-0-

BUT BEFORE WE GET accused of not presenting the true picture of the city hall fringes, it should be pointed out that includes such items as social security, life insurance, health insurance, workmen's compensation, etc., which are routine "deducts" from almost everyone's pay check whether employed by the city or private industry.

The city, of course, may be more generous in some categories such as retirement, etc. (The City contributes $770 annually for police and firemen retirement and $448 to other employees).

Our only point in delving into this area is merely to submit that "fringe benefits" are an important part of today's payroll.

-0-

THE PRUNEYARD CENter at Bascom and Campbell Avenues has shaped up into one of the most attractive commercial developments in the Santa Clara Valley.

We are particularly partial to the type of architecture that has been carried out in the PruneYard. The early California styling, of course, is part of this area's heritage but, in addition, it presents a design of quality and charm that, in our opinion, will age well over the years, long after some of the more modern construction that is with us will have become slightly tarnished with age.

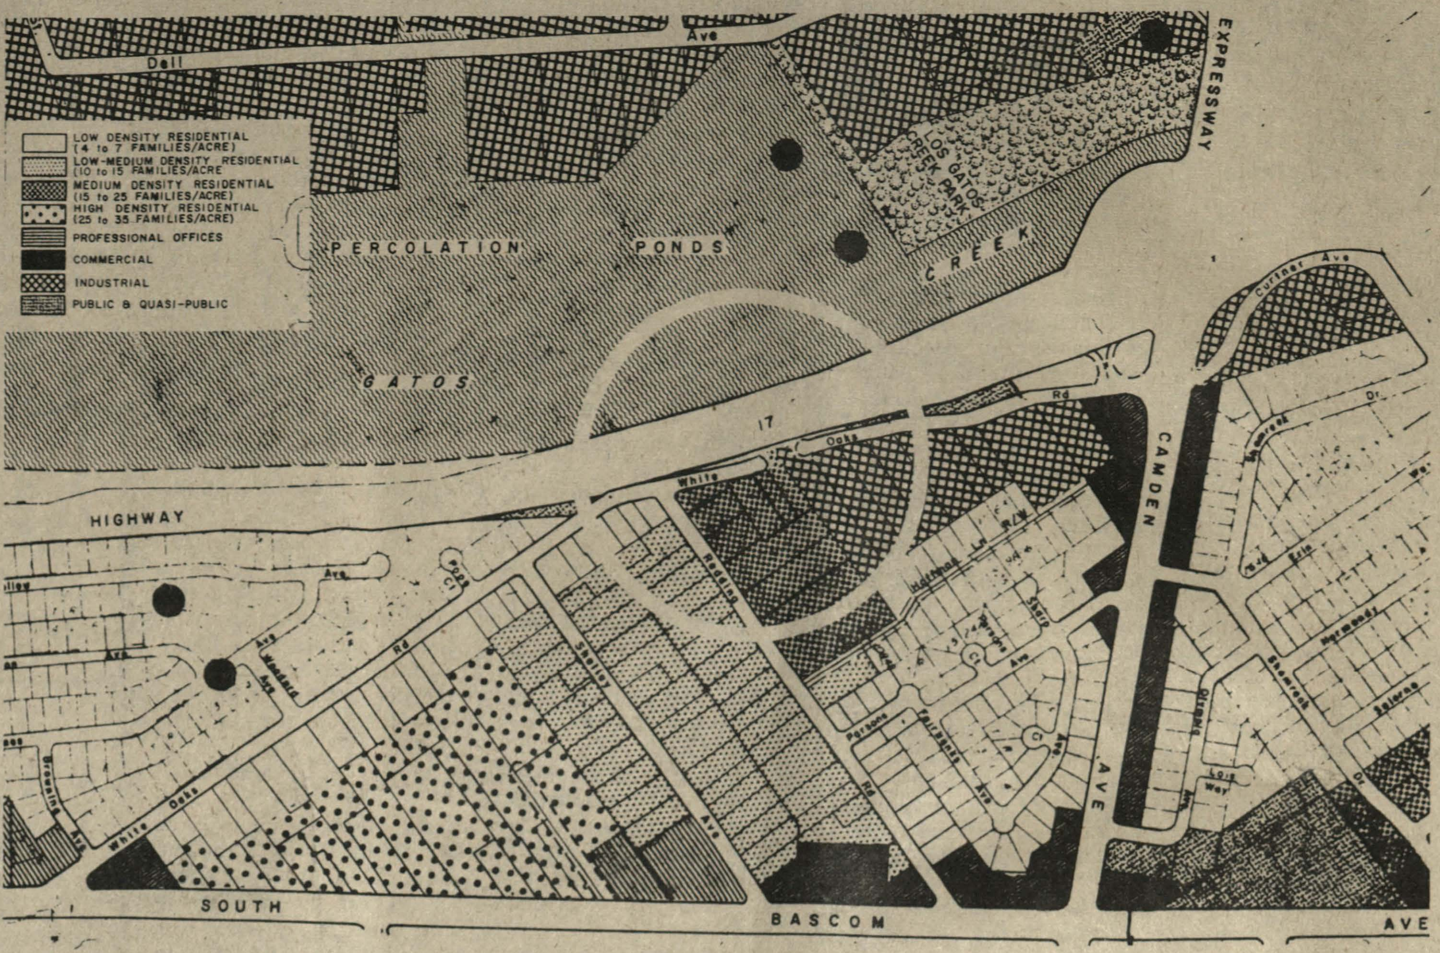
Come to think of it that seems to be the main advantage of dipping into our heritage for building designs.

One does not have to worry when it will go out of style.

-0-

THERE IS ANOTHER factor about the PruneYard

(Continued on Page 2)



NEXT MONDAY NIGHT

White Oaks issue goes to Council

A full house is expected at the City Council meeting next Monday (Nov. 9) when the first public hearing on the possible closing of White Oaks Road is scheduled to take place.

The hearing next Monday is the first step in the legal procedure of "vacating a street" and both sides on the controversial question are expected to be represented at the meeting when the issue comes to bat.

Under the city's specific area plan (see adjoining map) White Oaks Road, which now extends from Camden to Bascom, would be closed by double cul-de-sacs near Redding Road.

Residents of White Oaks Road, the majority of whom now reside in county territory, are concerned over the increased traffic flow on the street expected when the new off-ramps from Highway 17 are completed, have long advocated that the street be closed.

However, owners of industrial and commercial property all within the city limits and fronting on Camden and extending almost to Redding Road, have maintained that the street should remain open to allow adequate access to their properties. They have also claimed that before any action is taken by the City Council a comprehensive traffic study should be made of the area.

Involved also in the issue is the matter of the future development of the Redding-Shelley sectors and how this development could affect the traffic flow in the area.

The question of what to do about White Oaks became acute when the State proposed the widening of Highway 17 and the expanding of the off-ramps at the Camden intersection. Originally the State indicated that White Oaks should be closed.

City of Campbell officials have been concerned not only with the present traffic flow but also as to the potential land use of the entire area.

Sharing the spotlight to some degree with the White Oaks issue will be the application of the Royal Development Co., for approval of a 72-unit apartment house complex on Gale Dr. between Marathon and Darryl.

The area, which is adjacent to the Fry's Market on Hamilton, is zoned for apartments, but under the unique "overlay zoning" of the city, it necessitates the City Council holding a hearing on the plans.

By a 4-3 vote the Planning Commission rejected the plans.

The Council next Monday is also scheduled to call for bids for a public address system for the council chambers in the new city hall as well as drapery and carpets for the new structure.

HARD TO FIGURE OUT---Where the pumpkins left off and the children began. Really, mother it's not your child's class picture. But it is most definitely a whole class of children. These are kindergarteners at Forest Hill School--except that one of the ones in the rear looks a little big for kindergarten and where in the world is teacher, Mrs. Joanne Talesfore? The occasion, of course, was the annual dress-up Hallowe'en day.

100 WORKERS "HIT THE STREETS"

Recall campaign begins Saturday

More than 100 petition-circulators are expected to move into the field this Saturday, (Nov. 7) as the campaign gets under way to obtain 7,000 signatures for the recall of Mrs. Eleanor Graham-Armstrong and Ralph Steinberg as trustees of the Campbell Union (elementary) School District.

Ed Wood, of 411 N. Carlyn Ave., Campbell, a plastering contractor and a 16-year resident of Campbell, is general chairman of the precinct workers division in the recall movement. He is coordinating the activities of five area subchairmen in charge of the junior-high sectors in the school district.

The five district chairmen are: Gordon Abbott, MONROE, including Castlemont and Moorpark schools. Home phone: 241-4513.....office, 292-8871.

Mrs. Jan Mestice, CAMPBELL, including Rosemary, Capri, Hazelwood and Hamilton schools..Phone 378-0847.

Mrs. Evelyn Wood, CYPRESS, including Lynhaven and Parkway schools. Phone 378-7567.

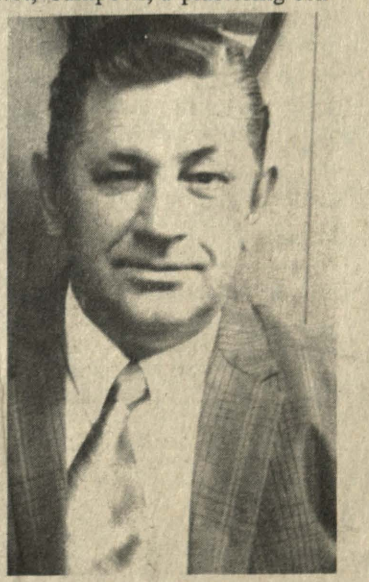
Mrs. Carol King, ROLLING HILLS, including Marshall Lane, San Tomas, Quito and Forest Hill, Phone 354-8608.

Bill Parton, BLACKFORD, including Dover and Sherman Oaks schools. Home phone: 377-7245, office, 266-5731.

Wood, the general chairman who moved to the Carlyn address in 1954 and has had three youngsters go through the Campbell schools, emphasized that it is the intent of his committee to cover the entire school district and suggests that any one interested in helping in the recall drive to contact the area chairman of the district.

Wood, who is a former president of the Rosemary Home and School Club and helped organize the Campbell High Boosters Club, said that one of his sons, who is now serving in Vietnam, in a recent letter home expressed shock over the situation that has developed in the Campbell school district.

All five of the junior high area groups, Wood said, under their respective chairmen, held organizational meetings this week to outline plans for the intensive drive that will begin on Saturday.



ED WOOD
---precinct chairman

Women to learn about protection

A program of special interest to women in the community will be sponsored by the Campbell Business and Professional Women's Club, Wednesday, Nov. 18 at 8 p.m. at the City Council Chambers.

Captain Donald A. Burr of the Campbell Police Department will make a presentation on the subject of "Protection For Women". A short film will be shown.

The presentation will close with a question and answer period.

The public is invited.

APPROVE SUBDIVISION---BUT

4-plexes irk Commission

"You have done by indirection what you could not do by direction," the attorney for McKeon Construction claimed on Monday night after the Planning Commission by a 3-2 vote approved the tentative subdivision map for the Gomes Ranch property between Hamilton and Latimer on which 88 four-plexes are proposed.

What griped the construction people was that in approving the map, the commission tacked on a condition that eliminated the tenative easements for parking areas that had been designated.

Thus, in effect, although the streets and lots were approved, getting to 'em would be something else again.

Before the action was taken, most of the commissioners had indicated that they were hostile to the proposed four-plex development of 88 units in a prime area in the center of the town.

The matter had been continued from a prior meeting to allow City Attorney Joe Bonacina to rule as to whether the planning commission could reject the proposed four-plex development because the resulting density would be lower than that specified in the city's general plan.

Bonacina ruled that the lower density was not a basis for rejection because the proposal met the conditions of the city's zoning ordinance.

Commissioner Frank Klein maintained that, in his opinion, the design was not good for Campbell. He said that the mass development would be detrimental to the city and he favored breaking it up into a variety of designs.

"Twenty acres of duplexes in the heart of the city is not a proper development," he scathingly emphasized.

Arthur Lund, attorney for McKeon Construction, and Jim Kaiser, engineer for the firm, both took the floor to extoll the virtues of the development and to point out that similar types had been built in other cities.

Two members of the commission were absent (Merrill Grim and Ed Pack) so it only took three-votes to make a decision.

A first motion made by Norm Paul and seconded by Dale Scott, acting chairman, to approve the map with the condition that the easements could be arranged or deleted as part of the final map, lost 3-2 with Klein, Don Hebard and Jack Healey voting against it.

The motion to approve with the offending condition that Attorney Lund claimed nullified the whole bit, was made by Klein with Hebard and Healey voting for it and Scott and Paul opposed.

The firm's attorney indicated that they would appeal the condition to the city council.

KUNKEL-THOMAS

In another matter before the commission, a disappointed crowd of interested residents from the Sunnyoaks-Virginia section of town, heard the planning commission continue until the Nov. 16 meeting the zone-change application (from R-1 to PD) of Kunkel-Thomas for property at 802 and 830 Sunny-

(Continued on Page 2)

NEW FACE AT CITY HALL–John L. Ruppel, Jr., 32, took up his duties as administrative assistant to City Manager Bob Stephens on Oct. 19 replacing Carl Kuhn who is now assistant city manager at Pacifica.

Ruppell, who is married, is a graduate of Notre Dame and has a masters degree in public administration from Arizona State. He served as administrative intern at Tempe, Arizona and prior to that had seven years in the air force as a flight instructor, attaining the rank of captain.

DIRECTORS TO MEET

Campbell Chamber of Commerce directors will hold their monthly luncheon meeting at La Fonda Restaurant, 2000 S. Bascom this Thursday (Nov. 5) at noon.

The executive committee meets beforehand at 11:15 a.m.

Co-ed write-in candidate wins office on St. Lucy's Council

Five new members were elected to the St. Lucy's Parish Council on Sunday, Oct. 25, including an 18-year-old co-ed from West Valley College, who was a write-in candidate.

Named to the Parish Council by the balloting of the members of the parish at the masses on Sunday, Oct. 25 (plus the Saturday, Oct. 24 5:15 p.m. mass) were Courtland Watson, 61 Catalpa Ln., Campbell, an electrical engineer; Mrs. Diane Wischmann, 3348 Cadillac Dr., a housewife; Jack McGough, 3623 Kendra Way, San Jose; a speech and hearing therapist in the Sunnyvale School District and Robert S. Pratt, 1331 Walnut Dr., Campbell, a research specialist at Lockheed.

Showing suprising strength, Barbara Ruhnke, daughter of Mr. and Mrs. Henry P. Ruhnke, 2254 Maximilian Dr., sponsored by the parish Youth Council who filed for the Parish Council after the nominations were closed, won office on a write-in vote.

There were eight candidates, plus the write-in candidate, contesting for the five positions on the St. Lucy's Parish Council, which has been in existence for one year.

Citizens report

Ken Burmeister

EDITOR'S NOTE:

The report of the Citizens Advisory Finance Committee, which has been submitted to the trustees of the Campbell Union School District, has become the focal point in the current school district controversy centering around the recall movement against two of the trustees, Eleanor Graham-Armstrong and Ralph Steinberg.

The citizens finance committee consisting of Ken Burmeister, chairman; Henry Mestice, Ed Fabbri, Mrs. Jeanette Watson, Gordon Abbott, Buck Austin and Dr. Robert King, was appointed by official board action on Aug. 6. It has not yet been dissolved, although Burmeister has submitted his resignation.

Because of the community interest, at the request of The Campbell Press, Burmeister presents the following summary of the citizens report...G.V.

By Ken Burmeister

Chairman, Citizens Finance Advisory Committee

The conclusion that must be drawn from the Citizens Advisory Finance Committee report is that the Board majority has failed to act prudently and efficiently in administering the financial affairs entrusted to them by the electorate.

Copies of the report may be obtained at the District office of the Chamber of Commerce office.

A score card of credibility of the report is submitted to the public for evaluation.

The Committee:

Pointed out the deteriorating financial status of the District;

Provided the actual causes for our year end desperate cash position;

Explained the ineptness of having the Board's sole salary negotiating designee, the superintendent, in closed door sessions, and requested additional designees in open sessions;

Reviewed the bidding procedures of the District and requested changes;

In addition, the committee reported to the Board that there is no cash in the undistributed reserve in September or October, and that making salary increases out of undistributed reserve is unsound fiscal procedure. (The Board granted a $299,215 salary increase last year in October and apparently was considering the same procedure this year);

The committee also asked for the business administrator's resignation at what was supposed to have been an executive closed door meeting.

It was this committee of private citizens, (on voluntary time in two months who spent up to 300 hours of work each) that was concerned about the best education possible at lowest cost. And it was this committee that found itself in the position of not being able to report that was the case with CUSD.

On the other side of the score sheet, it was the majority of the Board that:

Has permitted all these problems to exist;

Has not published a statement to date as to why they permitted the 69-70 budget to over state local income by $953,466;

Allowed the committee to think it was in executive session, when in fact it was public;

Allowed the District to become entangled legally and with more legal complications pending;

Could not conduct a board meeting according to written policy procedures with the result that it was impossible to make oral clarifications or answer questions about the report;

Has conducted the affairs of this district in such a manner as to put in serious jeopardy any future tax increases so desperately needed, if continued and expanded services are to be granted.

The budget for the current fiscal year was accepted as accurate.

However, the gravity of the financial problems facing our District includes the following points:

1. Our District had no normal cash carry-over from 69-70.

2. This year's budget was heavily cut, requiring needed items to be reinstated and paid out of undistributed reserve.

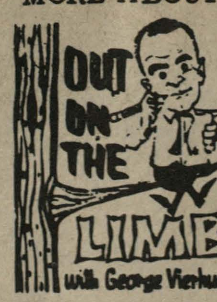
Some crucial items include, substitute teachers (using administrators as substitutes), teaching positions, and the recharging of fire extinguishers.

3. The demands for increased salaries are still being pressed hard and seriously considered by the Board majority. If granted, the funds must come from undistributed reserve, since the increase is unbudgeted for in the general fund.

4. The reinstated items of expenditures, plus salary increases if granted, will again place the District at the year's end in a precarious financial position, because after accounting for restricted funds, the District may not be able to meet the payroll.

I think it is obvious to the public that the Board majority has not acted prudently and efficiently in administering the District affairs.

MORE ABOUT



(Continued from Page 1)

and "The Towers" that has made points with us.

The development is turning out to be almost exactly how Fred Sahadi described it would be long before the first spadeful of dirt was turned on the project.

And that, friends, is an achievement in itself!

As an old pro in covering hundreds of planning commission and city council meetings in this community, over the years, we have seen hundreds of proposed plans presented to those two bodies.

Many of the plans unfortunately, did not leave the drawing boards while others sort of filtered out after a couple of false starts.

Extensive extensions were granted in some instances and often the developer would finally give up altogether.

In some cases, so many modifications had to be made to the original plans that were approved that the completed bore little resemblance to the original proposal.

A few, of course, went right through as originally presented to the Planning Commission or City Council. But they have been quite rare.

We recall that Thayer Lyons, who served on the Planning Commission longer than any other person in town, used to make wry comments about the "pretty pictures" that went with the pitch by the developer.

Thayer would point out, that invariably there would be a car in the architect's sketches plus huge trees and beautiful landscaping.

Lyons, had been exposed to so many overly-ambitious proposals over the years as a planning commissioner, that he used to become slightly irked by the "pretty pictures."

He was interested in the practical application.

The case of the PruneYard and the Towers was one of the rare exceptions.

The "pretty pictures" that were presented originally by Fred Sahadi hardly do justice to the real thing that is now taking shape.

-0-

TAKE LANDSCAPING AS a f'instance.

The original plans, of course, called for landscaping throughout the area.

But, we doubt very much that the planning commissioners or the city councilmen in approving the plans visualized that Fred was going to provide instant-landscaping.

At least we didn't realize that was going to be the case.

But we think it is tremendous.

Those olive trees that line the driveways and that are spotted throughout the center look as if they have been there for years.

The oleanders and the other bushes and shrubs give the same appearance.

The landscaping is compatible with the early California styling of the buildings in the center.

It is an attractive addition to the new Campbell and we all should take pardonable pride in it.

We think Thayer will agree that this is one time when those "pretty pictures" with the original plans meant something.

MORE ABOUT

Four-plexes irk

oaks (southeast corner of Sunnyoaks and Virginia).

The matter previously had been continued from the Oct. 19 meeting.

The second continuation was approved on the basis that the modified plans for development on the property had not been submitted in time to get the recommendation of the staff.

The proposal calls for a new concept in residential development. A previous proposal, for duplexes on the property had been denied.

Under the new proposal, patio-type homes would be constructed on sub-standard lots using the "zero-lot line" approach.

Carl Bumpass, and Eldridge Kunkel, of Kunkel-Thomas, described the proposal which they claimed had many advantages over developments with larger lots.

They pointed out that they had met with residents in the area who had indicated approval of the new plan.

Some of the commissioners indicated that although they looked with favor on the proposal, they felt it was necessary for the staff to review the plans before the commission could act.

In other actions on Monday, the commission approved a 71-unit apartment complex for the Christian Science Church at 250 Budd Ave. Prior approval had been granted for a 59-unit complex.

Wallace D. Perry was granted an extension for the use permit for a convalescent hospital at 1520 Pollard Rd. and Dick's Automotive Center received a use permit for towing and storage yard at 210 Curtner.

The application of Freddie Lloyd, Jr., for a zone change from R-1 to R-M on property located at 966 Crockett Ave. was approved as was the application of Alexander Szucs from R-1 to R-2-S at 268 W. Rincon.

By a 4-1 vote (Paul dissenting), the commission rejected the proposal which would allow more narrow widths of streets in subdivisions and unanimously approved an ordinance change to the "overlay" zone that calls for a planning commission public hearing on "O" matters.

Approved also was a proposed zone change from C-H (highway commercial) to P-O (professional office) at 651 Division which had been initiated by the commission.

California gold rush town of Auburn survives in modern age

One of the few lucky towns of the great gold rush in California is Auburn.

Lucky because it was able to survive the end of the easy gold and the destructive fires that erased so many towns that sprang up during those hectic years of boom and bust.

It survived because of its central location along the routes to the mines and towns springing up in all directions, making it an important distribution center for supplies. Its life was also expanded when the Central Pacific Railroad pushed into the community in 1865.

Authentic reminders of Auburn's history still stand in Old Town, says the California State Automobile Association, a distinct part of the county seat of Placer County. In 1848 a Frenchman named Claude Chana discovered placer gold in Auburn Ravine and the town began its history.

Old Town's plaza is surrounded by authentic structures of historic interest---the old firehouse, California's oldest post office, Lawyer's Row, the old American Hotel.

Although not one of the real pioneer buildings, the firehouse with its unique sharp tower and bell houses the Golden State's oldest volunteer fire department. It wasorganized in 1852 and is still in operation.

Heavy iron doors are folded back from the main entrance to the state's oldest post office at the other end of the block. A wood and glass door with a letter drop near the floor sits behind the iron doors. According to a landmark on the building, Auburn had its first mail service in 1849 with the first post office established July 21, 1853. Daily mail service was started in June 1888.

At the corner of Washington and Lincoln Way is the old American Hotel, now occupied by the Shanghai Restaurant. Originally a wooden structure destroyed in the fire of 1855, it was one of Auburn's oldest hotels. The present brick building was built immediately after the fire and also housed the early offices of the California Stage Co.

The big fire of '55 which almost completely destroyed Auburn, started in the area just up the steep slope of Sacramento Street. This was the town's Chinese area and several brick and frame buildings still stand.

The quiet shadiness of narrow Spring St. belies its onetime boisterousness. For it was along here that the miners, painted ladies, tradesmen and townfolk gathered at night to celebrate, drink and gamble, making it for many years the site of night life in early Auburn.

As you move back toward Commercial St., you'll notice the noise and bustle of activity in the many antique and gift shops and restaurants now housed in buildings erected after the 1855 fire. But if you stop and listen closely, the voices of lawyers and their gold rush clients might drift to you on the air currents moving past Lawyer's Row, the old brick building at the corner of Court St. and Commercial.

Built in 1855, it housed large numbers of lawyers during the early turbulent days of Auburn. It is now closed with padlocks across the heavy iron doors. On the other side of Court St. is the Placer County Bank Building, now housing a real estate and men's clothing store and Masonic Hall.

Here, too, were the Wells Fargo Offices.

Overlooking Old Town from the hill above is the tarnished silver dome of the Placer County Courthouse, built in 1894 to replace the frame structure erected in 1853. The original building escaped the flames of the '55 fire due to "...superhuman efforts of the supervisors and courthouse employees," according to The Placer Herald.

Worth a visit while you're in Auburn is the Placer County Historical Museum on the 20th District Agriculture Fairgrounds just off High St. It houses a fine collection of early day relics.

NOTICE TO PROPERTY OWNERS

PROPERTY TAXES ARE DUE FOR THE FISCAL YEAR 1970-71

Tax Statements are mailed prior to November 1 to each property owner of record as of the first of March. If taxes are paid for the owner by a lending agency, the owner will receive an information copy of the tax statement, indicating that the original statement was sent to the lending agency for payment.

Payment may be made in full when due November 1, 1970 or by two equal installments. The first half, due November 1, 1970, becomes delinquent at 5 p.m. December 10, 1970, after which a 6% penalty is added. The second half, due February 1, 1971, becomes delinquent at 5 P.M. April 10, 1971 after which a 6% penalty and $3.00 cost are added.

All property taxes must be paid even though a bill may not be received. Property owners who have not received all tax statements by November 15, should notify the Tax Collector. Tax statements received after property has been sold should be forwarded to the new owner, or returned to the Tax Collector's office. The Tax Collector should be notified in writing if the address is incorrect on the tax statement.

Tax payments should be mailed in the return envelopes provided. The Office of the Tax Collector, at 70 West Hedding Street, Room 107, San Jose, is open Monday through Friday from 8 A.M. to 5 P.M. to accept tax payments. Checks will be accepted for only the exact amount of the taxes. Any further questions on tax statements should be addressed to L. E. Engeman, Assistant Director of Finance, Tax Collector/Treasurer, Telephone: 299-2241.

EDWARD N. GLAESER, DIRECTOR OF FINANCE.

Now, both gas and electric ovens clean themselves.

Letters to the Editor

WHITE OAKS ISSUE

Dear Mr. Vierhus

On Oct. 6, a local newspaper ran an article regarding the Campbell City Council meeting of Sept. 28, concerning the proposed closing of White Oaks Rd. in Campbell. A hearing on the issue has been set for Nov. 9.

The arguments in favor of "closing" the road have been given a lot of publicity.

What follows are several questions and answers which must be considered. The questions have been submitted to us by others. The answers are our "best attempt" at explanations and tentative solutions.

Respectfully yours,
Paul Quintarelli
Charles J. Ferroni
(Committee to keep
White Oaks Rd. Open.)

QUESTIONS-ANSWERS

Question: How do you answer the claim that "a majority of residents in the area immediately effected--claimed by some to be 85%--petitioned the council to construct back-to-back cul-de-sacs on White Oaks Road at the point where industrial zoning abuts residential zoning?"

Answer: The co-called petition referred to in your question was actually a letter requesting the county of Santa Clara to close White Oaks Rd, signed by 93 people in that area, a copy of which was submitted to the Campbell City Council.

The proponents to "Close White Oaks Rd," have been pressuring the Campbell City Council to act in their favor. Only 7 of the 93 are residents of the city of Campbell. To my knowledge, the other Campbell citizens in that area heretofore, have never been polled.

During the past 30 days we have contacted not only Campbell citizens, but also other County residents in that area as well and have found that not less than 34 of the original 93 who signed the letter have changed their minds and now wish White Oaks Rd. kept open.

Question: Why is it so important to keep White Oaks Rd. open?

Answer: (1) With the starting of the apartment house construction in the White Oaks area, White Oaks Rd. is a vital link, for the future residents, to any one of many major roads.

(2) It is the only reasonable and safe access to San Tomas Expressway, and Route 17 for every resident on Shelley, Redding, Hoffman Ln., White Oaks Rd., Parsons, Holmes, Longfellow, Emerson, Browning and etc.

(3) Emergency vehicles such as fire, police, ambulance, etc., would have to travel an absolute minimum of three minutes longer to service that part of the City on the "other side" of the closed road, providing the traffic on Camden and Bascom is light.

If the emergency vehicles had to travel that same route during the peak traffic hours, the length of time required would be considerably more.

Question: Where do the bulk of the "Close White Oaks Rd." proponents reside? And what do you think is their main reason for wanting White Oaks Rd. closed?

Answer: The answer to the first part of the question is that they are home-owners (mostly), who reside right on White Oaks Rd., south of Shelley Ave. and on the west side of White Oaks Rd.

For the second part of your question, it appears that each has his own unrelated reason for wanting White Oaks Rd. closed. One person claimed, if the road is left open, traffic pollution is inevitable. Another, that they are being "sacrificed," etc., etc.

To summarize, White Oaks Rd. has been a through road long before the homes were built on or around that road.

Every person owning or renting a home has done so with the full knowledge that White Oaks Rd. was a through road.

White Oaks Rd. has been an access road to one end of the City of Campbell for many people before any houses were built or "moved in".....

Roads are built for the convenience of the whole community. This convenience should not be closed to satisfy a few individuals.

Question: Should the City Council decide to close White Oaks Rd., what next?

Answer: I do not think they will close this vital road. Public roads are generally closed for the following reasons:

(1) Because a road is no longer being used. (2) Because a hazard exists which cannot be corrected in any other reasonable manner.

NEITHER OF THESE TWO CONDITIONS EXIST IN THIS CASE!

Question: Did not the Campbell City Engineer recommend the closure of White Oaks Rd.?

Answer: Yes. The City Engineer's statement, that "Camden and Bascom Avenues should be utilized for their intended purpose and should be used by commuting traffic in lieu of residential streets such as White Oaks Rd.," is a little short sighted.

The few people who might use White Oaks Rd. as a shortcut will not do so after West Valley Freeway is built. The widening of Bascom Ave. has yet to be let to public bid. Secondary roads are constantly being built to alleviate heavily congested areas.

--Paul Quintarelli

Applicants must file early

Young men seeking appointment to the California Maritime Academy with the class entering in August 1971 should request application forms at an early date.

The California Maritime Academy is operated by the State of California to prepare young men for service as officers of the American Merchant Marine. The course of instruction is currently three years in length and the graduate receives a federal license as a merchant marine officer.

He also receives, in accordance with provisions of the State of California Education Code, a Bachelor of Science degree in either Nautical Science or Marine Engineering. Additionally, those graduates who qualify receive commissions as ensigns in the U.S. Naval Reserve (Inactive). Costs of the program are borne by the State of California, the Federal Government, and the student

Requirements for admission are: Be an unmarried male citizen of the United States; be at least 17 years of age and not have reached the age of 22 at time of admission; be a high school graduate; and meet prescribed mental and physical requirements. Veterans who have served in the Armed Forces may request a waiver of the age requirement.

Admission to the Academy is without regard to race, color, creed or national origin.

All candidates must take College Entrance Examination Board tests not later than March of the year of desired entrance into the Academy.

With regard to the Achievement Test in Mathematics, for the student who has not done advanced work in mathematics it will generally be to his advantage to take the Level I (Standard) test.

For full information write to the Director of Admissions, California Maritime Academy, P.O. Box 1392, Vallejo, California 94590.

RAGGEDY ANN IN PERSON---This "doll" is an elementary school teacher, whose first grade students were most enamoured of her "Hallowe'en" costume which she wore for them on the Friday preceding the witching day. Most days, she's Marilyn Whitted of Forest Hill School.

BOOKS

at Campbell Library

SILVER FOR PLEASURE AND INVESTMENT, by Geoffrey Wills, (R739.2374)

This is a reference book and will be of interest to all who collect old silver, particularly English silver. Old English silver has a wide appeal for a variety of reasons. The beauty of the shining metal is one of them, and its intrinsic value ensures international acceptance. In addition, the legally-enforced system of hall-marking, which dates from the year 1300 A.D., is a built-in warranty of genuineness. In the pages of this book the reader will find clear descriptions of the methods of assaying and hall-marking. They are followed by a comprehensive glossary of silver articles, which is illustrated copiously in black-and-white and color.

THE RIGHT COLLEGE TO GET IN, STAY IN, AND GET BACK IN, by Loren Pope (378.1057)

Pope's sobering, slashing indictment of the school lottery that is the mismatching of student and college puts the blame squarely where it belongs - on the unwieldy system that has failed to keep pace with the times and the increasing demands of society. The real question is not whether a young person should try to get some advanced education, but rather what kind, where and when. Faced by these basic but unanswered questions, many bewildered parents and students are making the wrong choices at the wrong times, victimized by misinformation, lack of guidance, and inadequate school preparation. This is a must book for parents and student alike.

Drug abuse is display material

A drug abuse display is currently being shown at Westgate Shopping Center through Saturday, Nov. 7 in the mall.

The 18 panel walk-through display shows a mechanical puppet, a continuous slide show and other life-like pictures.

Sponsor of the show is the National Initiative Foundation, a bay area group of concerned parents who hold non-profit educational evening discussions, according to Mrs. John Wall of Palo Alto, publicity chairman.

How we celebrated United Nations day

(Note: Each year the English As A Second Language classes at Bennett Hall, Congregational Church of Campbell, celebrate United Nations Day. This year some of the students wrote their impressions of the day. The following is by Sabrina Jay, a student in the class who is from Hong Kong.)

by Sabrina Jay
of Hong Kong

On Friday, Oct. 23, teachers, students and their friends at the Campbell Congregational Church English Class celebrated their third annual United Nations Day.

Students in that class come from 19 different countries from four continents: Europe, Asia, South and North America. Some of the students wore their native costumes.

It was the most unforgetable and tremendous party we ever had. On that day we all have the same purposes which was peace on earth and learning better English.

In this English class teachers and students are just alike in one big warm family. We don't have any racial problem between each other. The teachers are just wonderful.

At 10:20 a.m. the celebration began. Mrs. Gloria Rogers was the mistress of ceremonies. She simply introduced the purposes of the U.N. and when and where the United Nations was formed.

The following programs which students participated in are: Greek dances performed by Greek students, Afghanistan-talk, Iran-dance by Valentina Czapkay, Yugoslavia-talk Holland-talk by Nelly Karabinia, German-song by Ingrid and friend, Italy-piano by Joe, Mexico-dance and talk by Argentina Sayler and friends, Cuba-talk by Mr. Velasco and songs by Anna Billingsley and her husband, Colombia-dance by Colombian girls, Korea-talk by Sun Choe, dance by Kim Gullet and Jank Suk Oh, Hong Kong-talk by Sabrina Jay, Japan-talk by Masako Ikado, song by Takako, Koto by Kyoko Anderson and dance by Masako and Sawako.

After the programs we had a wonderful luncheon featuring dishes from all over the world.

We certainly thank Mrs. Gulick and her eight woman clubs' friends for organizing the luncheon so well. Of course, we wanted to thank the church minister, Mr. Myers, for letting us use the rooms and all the teachers who helped us learn English. And I personally thank all babysitters for babysitting for us during school hours.

U.N. CELEBRANTS---Mrs. Mary Thrappas (Greece), Mrs. Kim Gullett (Korea), Mrs. Voula Antonopoulos (Greece) and little Sonia Gullett stand beside one of the many decorated tables which English As A Second Language students set up in Bennett Hall of Campbell Congregational Church to celebrate U.N.Day.

PHARMACY PHACTS

Traditional antique show opens Friday

Admirers and collectors of antiques from near and far will be in San Jose Nov. 6, 7 and 8, as the Episcopal churchwomen of Trinity stage their 12th Annual Antiques Show and Sale in McCabe Hall, San Jose Civic Auditorium, Almaden St. and San Carlos St.

Doors will open at noon Friday, Saturday and Sunday. Closing time Friday and Saturday is 10 p.m.; Sunday it is 6 p.m.

Two Campbell women are in charge of the show and sale---Mrs. Carroll Soderer of 273 Warwick Dr. as chairman and Mrs. Sam T. Brown of 684 Monica Lane as co-chairman.

Exhibitors will be from as far north as Kent, Washington, and as far south as Santa Ana. Also included will be the traditional Grandma's Cupboard, in which Trinity women sell goodies made from old-time recipes.

Porceeds will go to projects of Trinity Episcopal Church, which is one of the oldest Protestant churches in the valley, having been founded in 1861. Door donation is $1.25.

FOR ANTIQUE SHOW---Mrs. Sam T. Brown of 684 Monica Lane (left) and Mrs. Carroll Soderer of 273 Warwick Dr. admire an antique gold and silver boudoir mirror that Frank D. Perry expects to show in the 12th Annual Antiques Show and Sale sponsored by Episcopal Churchwomen of Trinity this weekend (Nov. 6-8) in McCabe Hall, San Jose Civic Auditorium building, San Carlos St. and Almaden St. Hours are noon until 10 p.m. Friday and Saturday; noon until 6 p.m. Sunday. Mrs. Soderer is chairman of the event, with Mrs. Brown as co-chairman.

Nursery school program relaxed but organized

Campbell Congregational Pre-school started nine years ago after two of the church's Sunday school teachers decided that a practical use and a real need for a nursery school existed.

The school has grown from single morning sessions to a full-day program for the teaching staff supervised by Mrs. Dorine Alvord and Mrs. Georgia Tyson.

A new playyard was added to the already developed yards when school opened this fall. The new yard is used for wheel toys, freeing the other school yards of wheel traffic.

Children attending the school go on a private or participating-mother basis, meeting once a month as a group to discuss administration problems.

The school staff plans a ratio of one mother to every five children in attendance for the daily programs. Additional staff includes Mrs. Jean Lowe, who supervises the three-year-old group that attend the Tuesday and Thursday morning sessions. Mrs. Bobbie Sheets is the rhythmic gymnastic teacher for the two four-year-old groups that attend Monday, Wednesday, and Friday. Mrs. Terri Hornig and Mrs. Maria Silva teach rudimentary French once each week to the four-year group.

Directed activities also include a phonics program, monthly field trips, nature study and community visitors.

The nature corner currently houses a rabbit, guinea pig, and a chipmunk. Other animals "visit" the school during the year.

One mother, Mrs. Mona Mora, characterized the program as being well organized, yet with a relaxed atmosphere.

Greek classic opens season

West Valley College will open its 1970-71 drama season with a production of Aristophanes' "Lysistrata" on Thursday, Nov. 12, at 8:15 p.m.

This 2500 year-old Greek classic is a timely piece dealing with women's rights and war protests.

The show, under the direction of Charles R. Hoover, is a fast-moving comedy with a large cast of 25. Playing major roles are West Valley students Debbie Hamouris, Lysistrata; Dave West, the Magistrate; Mary McCready as Lampito; Ruth Cook as Myrrhina; Lynn Heckenmeyer as Kalonike; and Jeff Risk as Kinesias.

In the classic tradition, the male and female chorus will be led by Joe Birdsong and Linda Work, respectively.

The play will be held Nov. 12, 13 and 14 at 8:15 p.m. at the Campbell campus auditorium of the college, 51 E. Campbell Ave. Tickets will available at the door.

SPAGHETTI FEED

"Festa Italiana" is the title of a parish dinner to be held Sunday, Nov. 8 at St. Thomas of Canterbury Church, 1522 McCoy Ave. The dinner is scheduled from 4 to 7 p.m. with spaghetti, meatballs, garlic bread, tossed green salad and dessert and coffee on the menu. Chairman is Mrs. Carolyn Harr; co-chairman is Tony Ferrante.

HOMEOWNERS MEET

The newly formed Hazelwood Homeowners Association will hold their second organizational meeting on Thursday, Nov. 5, at 7:30 p.m. in the cafeteria at Hazelwood School. Persons in the Hazelwood area are urged to attend. Speaker will be Bill Johnson. For additional information, contact Mrs. David Bryant, 378-7390.

Gloria and Thomas recite vows

Gloria Dawn Pigue wore a chantilly lace gown over satin with full length lace sleeves and carried a bouquet of miniature carnations when she recited her wedding vows with Thomas Carl Pardoe at First United Methodist Church recently.

Rev. Alan Goozee read the marriage contract for the two Campbell High School graduates.

The bride was preceded down the aisle by her sister, Mrs. Shirley F. Eicholtz, and the groom's sister, Becky Pardoe, who were gowned in identical lime green crepe. Each carried a single yellow rose.

Gloria's nieces, Kimberly and Sherry Eicholtz were flower girls, while the godson of the groom, Tim O'Connell was ring bearer.

William Pigue gave his daughter's hand in marriage while her mother witnessed the ceremony in a lime green bonded crepe A-line dress with matching scarf. Her corsage was of white carnations.

Thomas is the son of Mr. and Mrs. Thomas E. Pardoe. Mrs. Pardoe attended the ceremony wearing a green knit dress with matching jacket and white accessories. Her corsage was also of white carnations.

A reception for the newlyweds was held in the church fellowship hall, where they cut a three tiered cake with green and orange decorations.

The new Mrs. Pardoe wore a crepe with empire tie sash and white accessories for her going away ensemble when she and her groom left for a honeymoon at the Disneyland Hotel.

The bride, a graduate of Campbell High School, class of 1969, was formerly employed by Barclays Bank. The groom, a 1966 Campbell High alumnus, received his AA degree from West Valley College in 1968 and his BA from San Jose State in 1970. He is currently employed by Western Life Insurance Co.

Mr. and Mrs. Thomas Carl Pardoe

4-H CLUB MEMBERS

EL SERENO 4-H
by Louis Zurlo

The El Sereno 4-H club held its monthly meeting Oct. 28 at the Immanuel Lutheran Church in Saratoga.

At this meeting committees were formed for the Los Gatos parade and our Christmas party.

We had demonstrations by Janet Snouse, on the 4-H pledge; Anthony and Bernadette Montalbano, on the 4-H meeting; and Glen Greene, on rabbits. Clare Carlson read an article from the 4-H news.

There was an oversight in the acknowledgment of our historian Dorothy Keefer.

THE CAMPBELL 4-H
by Kevin Clancey

October meeting was held at Coventry School, Friday, Oct. 2. We had installation of new officers and new menbers.

Last Friday night, we had a Hallowe'en party at San Tomas school. We had judging of costumes, games and refreshments.

Club vows sale will be biggest

The newly reorganized Camden Swim Club is holding what it bills as "the most gigantic garage sale to be seen in the Campbell-Cambrian area since the summer of 1915."

The sale will be held Saturday and Sunday, Nov. 7 and 8 at Dr. Dolphin's Swim Clinic, at the corner of Bascom and Apricot, in Campbell.

Approximately 75 families will be contributing items for the sale. A special feature will be the children's corner which will be devoted to items contributed by the 100 children involved in the Camden Swim Club.

The sale is being organized to provide funds for new team sweat suits and new lane dividers for the pool.

ALTAR SOCIETY

St. Lucy's Altar Society will hold their regular monthly meeting in the church annex on Thursday, Nov. 5 at 1:30 p.m. Hostesses for the day will be Mrs. Joseph Aversante, Mrs. Edward Alario, Mrs. Frank Brandt and Mrs. C. C. Stojanovich.

Attention Parents:
FALL ENROLLMENT STARTING
Your child's learning ability starts early . . . Give him a head-start with a planned pre-school program. ALL DAY CARE 7 a.m. to 6 p.m., ages 2 thru 7, and after school care for grade school children. Spacious tree shaded grounds, State Licensed
Children's Tree House Nursery School
1260 Erin Way, Campbell, (off Camden Ave.) 371-0270, eve. 356-1781

WELCOME MEMBERS---Mrs. Victor Owen, vice-president of the auxiliary of the Volunteer Bureau of Santa Clara County, welcomes two new auxiliary members, Mrs. Frank Kukuk and Mrs. Mauro Jimenez, at a coffee held recently at the Campbell Ave. home of Mrs. Richard Sheehan. The auxiliary started last year under the leadership of Mrs. Kenneth Garner of Peter Drive, who recognized the need for a "back-up" group for the office staff of the Volunteer Bureau. The auxiliary will serve as hostesses for an open house when the bureau officially welcomes the public to the new offices at 2175 The Alameda.

BUCKNALL

Bucknall elementary school's first general P.T.A. meeting will be held Tuesday, Nov. 10 at 7:30 p.m. in the multi-use room.

On the agenda for the evening will be a program on drug addiction by Ronald Taylor, Mario Chisessi and Douglas Reinecke.

The program will consist of a background and review of drugs. Also, a panel discussion with two former drug addicts. Due to the seriousness of this discussion, children are advised not to attend.

Cub Scouts from Pack 323, Den 3, lead by Mrs. Eleanor Stockstill and Mrs. Marilyn Brophy will present the colors for the flag salute to open the meeting. Refreshments will be served following the meeting and child care will be available.

LUCETTES

St. Lucy's Lucettes will meet on Nov. 9 from 11 a.m. to 2 p.m. in Kennelly Hall. Persons attending are asked to bring a bag lunch; dessert and coffee will be served. Shuffleboard and games are the day's activities.

HOLDS SALE

Friendly Visiting Service is holding a rummage sale from 9-5, on Nov. 4 and 5 at 342 E. Campbell Ave. Jigs, jumpers, jokes, gems and jazzy junk will be offered. FVS is a participating agency of United Fund.

Proceeds will enable director, Mrs. Carol Hoyt to enlist new volunteers for the Service, which visits shut-ins, and the elderly lonely in the County.

Church plans parish dance

The social and recreation committee of St. Lucy's parish will sponsor an all-parish dance on Saturday, Nov. 14, in Kennelly Hall.

"Memory Years" is the theme of the event, with music by Bob Gasser and his group. Chairmen are Mrs. John Ahearn and Mrs. Edward A. Grossheider, who have announced that tickets may be obtained at the door for the 9 p.m. evening.

Geri Nedley is decorations chairman and she will be assisted by the Mission Singles Group. Mrs. John McKay is publicity chairman.

Home and School Club

HAZELWOOD

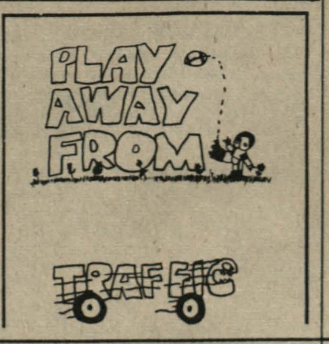
The first Hazelwood Home and School Club meeting of 1970-71 was held at the school on Tuesday, Oct. 27.

The theme was "Education in Bloom," and featured each teacher being introduced by one of his students.

The introduction of teachers was preceded by a short business meeting conducted by Ron Clancey, president, followed by a classroom visitation period.

At the last board meeting, Pat Sullivan, vice-president outlined the activities for the current school year.

The big projects will consist of a fall pancake breakfast on Sunday, Nov. 15, the annual Christmas program, a spring pancake breakfast on Mar. 14, and a carnival on May 1.



WARMING UP----Everyone wins a prize when they spin the "Wheel of Fortune" at Moreland School's annual Fall Festival. Anxious to give it a whirl are David Bush, Martine Philips, Bobbie-Jo Lavond and Kevin Hand. The PTA sponsored activity will be held at the school on Saturday.

Carnival day promises fun

Moreland School's annual family fun and get-acquainted day, the "Fall Festival," will be held Saturday, Nov. 7, from 11 a.m. to 4 p.m.

According to Mrs. Daniel McNiven, PTA President and festival chairman, most of the games will be held outdoors if the weather is good. These include a fish pond, horseshoe toss, cake walk, dart game, wheel of fortune, ping pong toss, beanbag throw, milk bottle toss and Pandora's box raffle.

The "pick-a-pocket man," popular with the younger children, will be repeated this year. Another special event is the "Room Mothers' Boutique and Bake Shoppe" featuring homemade items and headed by Mrs. Robert Morris.

Mrs. Robert Gietzen will be in charge of the kitchen where members of the PTA executive board and their husbands will be serving lunch.

Serving as chairman of the individual booths are Mesdames Eugene O'Brien, W. Todd Petty, James Lines, Robert Lavond, Harry Gow, Russell Bell, Jack Brownell, Lynn Kampe and Leonard Lobaito.

Proceeds from the festival are used by the PTA for projects benefiting the school, such as field trips, audio visual equipment and extra music programs.

Garden club prepares for holiday events

Campbell Garden Club will hold their monthly meeting on Wednesday, Nov. 11, at the Congregational Church of Campbell, 400 Campbell Ave., at 10 a.m.

Dwight Long of Saratoga Horticulture Foundation will be the speaker.

A workshop for Christmas Tree Lane exhibitions was held recently at the home of Mrs. Lou Maratti, 931 Monica Lane.

Anyone interested in attending Garden Club events or in joining the club, should call Mrs. George Kolze, 378-8897, membership chairman.

REBUILDING---The framework and beams of the new Saratoga Ave. Baptist Church promise that the sanctuary that was completely gutted by fire last January will be ready for services shortly after the New Year. The church is located at 1735 Saratoga Ave. Rev. Harry Twining is the pastor.

Cleft Parent Group holds sale

The Cleft Parent Group of Santa Clara County will hold its second annual garage and rummage sale, Saturday, Nov. 7, and Sunday, Nov. 8, from 9 a.m. until 6 p.m. at Latimer School, 4250 Latimer Ave.

Items to be sold are both new and used, and include toys, jewelry, furniture, clothing, baby needs, and household goods, which are donated by members of the group and friends.

Proceeds of the sale will go toward purchasing printed material to be placed in local hospitals, and public libraries, containing information for parents of cleft lip and cleft palate children.

For further information, please call 227-1133 or 266-6693.

Uganda minister displays curios

Rev. Harry Twining, pastor of the Saratoga Avenue Baptist Church announces that Rev. Glenn Lawrence, missionary among the displaced Watutsi tribes in Uganda, will be their guest speaker on Sunday, Nov. 8 at 7:00 p.m.

Lawrence will tell how he established Christian groups, taught in short term Bible Institutes, training laymen how to lead in worship and show a display of lion, leopard and snake skins plus curios and articles given to him by converted witch doctors.

The church is located on 1735 Saratoga Ave. next to Palo Alto Salinas Savings. There is a nursery for all services.

TOYS FOR SALE---Jaime Keech and Cindy and Charlene Kline, whose parents are members of the Cleft Parent Group of Santa Clara County, display one of the many toys which will be sold at Latimer School on Saturday and Sunday. Proceeds will go towards distribution of leaflets about cleft lip and cleft palate children.

St. Lawrence gets new pastor

Rev. Barry Verdi is the new vicar at St. Lawrence Episcopal Church, 65 Rincon Ave.

Verdi, a graduate of San Jose State College, recently served as minister at All Saints Church in Palo Alto.

The new vicar is also chairman of the audio-visual department of the Diocese of California and expects to devote some of his time to developing religious education programs for television.

Father Verdi and his wife, Ann, and children, Mark 3, Vaughn 7, and Alison 5, make their home in San Jose.

PROP

Wednesday Services 7:30 p.m.

DEDICATION SUNDAY--- The First Free Will Baptist Church, 157 E. Rincon, will dedicate their new educational building on Sunday, Nov. 8, at the close of morning services. The two story structure fronting on So. Third St., houses 14 classrooms, a pastor's study, nursery, kitchen and two departmental assemblies.

Part of the building is equipped with folding doors to allow for use of a 62 foot dinner or fellowship room. The building is fully carpeted except for the kitchen and fellowship room. It is valued at $60,000. Homecoming services are scheduled from 2-4 p.m. and open house from 4:30 to 6 p.m. Pastor E.B. Condit has invited the public to all or any of the services.

Former jazzman gives lectures

J. J. MILLET

Revivalist J. J. Millet, at one time a jazz guitarist in the Dixieland hotbed, New Orleans, will begin a four-week series of revival lectures at the Campbell Seventh-day Adventist church this Friday night at 7:15. His opening topic is, "This Incredible Century."

"Evangelist Millet has traveled widely in his study of places and things of special interest to Bible students," according to Pastor Eugene Sample of the local church.

"He has made several trips to the Holy Land, and during his lectures here he will show color pictures on the screen of his travels."

The schedule includes services to be held each Friday, Monday, Tuesday, and Wednesday evenings at 7:15, and on Saturday afternoons at 4:00. A complete schedule of the topics will be mailed without obligation to anyone calling 379-1851.

The public is invited to these free lectures at the Adventist church at 65 E. Rincon Ave.

Needy children get free lunches

Parents of children in the Campbell Union (elementary) School District have been notified of the expanded lunch program which is now available on a free or reduced price to children of low income families.

The program was made possible by a public law which was signed by President Nixon last May.

The regular school lunch can be served free, or at a reduced price, to those students whose parents make application at the school office.

According to Mrs. Pearl Calabrese, food service supervisor, the guidelines for these lunches are 1) children from families receiving Aid for Families with Dependent Children; 2) children from families receiving food stamps and/or federally donated food; 3) children from families receiving public assistance; 4) children from families whose monthly income is below a certain level (1–$160; 2–$210; 3–$260; 4–$310 etc.) and 5) children from families with a monthly gross income not exceeding 20% above that scale are eligible for reduced price meals.

According to the school district's policy, if a student is determined to be ineligible according to those guidelines, an appeal may be made to the superintendent of schools office and a further appeal may be brought to the board of trustees.

Questions concerning free lunches should be directed to the local school principal or the food service supervisor, 378-3496.

ASSEMBLY MEETS

Preparations are now under way for a three-day circuit assembly of Jehovah's Witnesses scheduled for Friday, Saturday and Sunday, Nov. 6, 7 and 8, at the Santa Clara County Fairgrounds (Pavilion Hall), according to Salvatore Pavone, presiding minister of the South Campbell group.

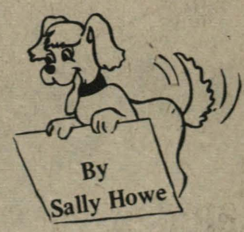
Bringing up fido



By
Sally Howe

Reams and reams are written on dog diets and quite obviously many thousands of dollars are spent on advertising Fido's food.

I am less concerned with what to feed as I am with what NOT to feed.

The lady who told me she had to stop on the way home and buy her doggie an ice cream cone was a revelation to me.

We had just been discussing the care of her dog's teeth and how some good hard biscuits might help keep them clean and then I find 1) she regularly bought the dog ice cream, 2) soaked all the dog's kibble into mush, 3) doesn't approve of fresh meat. Wow!

Stop and take note that Mr. Dog is classified as a carniverous (meat-eater) animal. Most dogs suffer with bad teeth and poor gums because of their diet and for no other reason.

Don't be constantly feeding your pet scraps of your food--especially if he has a weight problem. Tidbits for him can really be a bad habit.

"Oh, but she's so hungry," is an expression I've heard dozens of times. Well, better a hungry healthy ALIVE dog, than a fat DEAD one.

If your dog is obese, feed him once a day, a very small portion and stick to it.

Veterinarians have access to a prescription diet food (canned) which can be fed in large amounts. (The same food is sold in some pet stores, but for safety's sake, call your doctor and make sure it is really the right food for Fido.)

* * *

When daylight savings time leaves us each fall, we find we have a little trouble getting used to the early darkness.

Fido has the same problem and probably wants his dinner early and access to his bed a little sooner. Be ready to accommodate him.

* * *

That old ugly monster, "Should-I-Breed-My-Dog" is arising again. I say, if the question has occasion to rise, the answer is always NO.

Why? If you ask the question, you have doubts as far as 1) your ability to care for puppies, 2) whether you'll have homes for puppies, 3) whether your bitch is suited temperamentally and physically for breeding.

Don't rationalize—just don't breed her!

Camden swim team reorganizes for new season

The Camden Swim Club, which had been a power in the Valley Swim Association for a number of years under coach Mike Roach, became one of the constituent teams of the West Valley Aquatic Teams during the 1969 and 1970 swim seasons.

During the past month the Camden Swim Club withdrew from the West Valley Aquatic Teams to become an independent team under the sponsorship of the San Jose Park and Recreation Department.

Coach Dennis Belli said the move will provide a better opportunity to meet the dual objections of the club which are (1) to encourage the widest possible participation of all of the children in the area of Camden High School and (2) to develop swimmers of sufficient ability to participate in area wide competition.

Joe Bonfiglio, club president, says the club roster currently includes 75 families with approximately 100 swimmers. Boys and girls from 5 to 17 years old are eligible to participate. The club is having workouts at the Camden High School pool through October, Spring practice will begin again in March of next year.

Anyone wishing information on joining the club should contact Belli at the Camden pool, 377-9698 or at his home, 287-7676.

Coach Belli has been in charge of the Camden Team since 1969. He previously coached a team in Milbrae, Calif. He played water polo for San Jose State in 1968 when it won the national championship and he was selected as a second team All-American. Belli is assisted in his coaching duties by his brother, Ken Belli, who is an outstanding performer on the current San Jose State water polo team.

Young adults in new program

Specialized Exploring, a new type of scouting, has taken off with a bang this fall, gaining wide acceptance with young people of both sexes. Open to young adults, ages 15 through high school, Specialized Exploring seeks to introduce young people to the demands, scope and disciplines of various professional and vocational fields.

Currently, in the Pioneer District, Specialized Explorer Posts operate in the fields of public health, law, medicine, school administration, veterinary medicine, engineering, ground search and rescue, vocal music, and communications. Volunteer Scouter Dale Fallis and Professional Scouter Dick Kimrey head up the Explorer program for the Pioneer District, which includes most of the Campbell and Moreland Schools as well as some in Union District.

Typical was an initial meeting of the Medical Post held recently at Good Samaritan Hospital at which 55 boys and 86 girls signed up for the program.

Meetings, study sessions, field trips and work sessions with particular emphasis on the free exchange of information between adults and youth are the formats around which the Specialized Explorer programs are based.

Sponsoring organizations include, Campbell Kiwanis Club, Good Samaritan Hospital, West Valley Bar Association, Santa Clara Public Health Association, American Society of Civil Engineers, Pacific Coast Society of General Electric Scientists and Engineers, Pacific Telephone Company and the Central Animal Hospital.

Inquiries regarding this program should be addressed to "Specialized Exploring," 2095 Park Ave., San Jose.

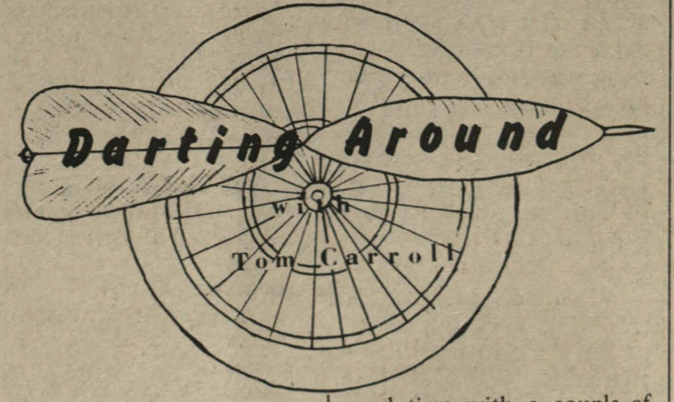
DECIMALS

The decimal system was evolved for this country's coinage as opposed to the English system of pounds, shillings, pence largely because the newly independent Americans did not want a coin named crown.



The Lancashire Lad in Los Gatos was a sea of humanity last Wednesday night when the preliminaries were held for the Northern California Darts Assn. Singles Tournament. Three dart boards were in use as 32 contestants vied for the right to represent the South Bay League in the finals, Nov. 22.

The first four places go into the tournament with the second four as the alternates. Jack Mehtala, captain of the Scuttlebutt team, took first place by defeating Jim Macredes, Gaslighter Theater I, and Don Rhodes, Lancashire Lad I. Bob Mayer of the Lad II team rounds out the first four.

The alternates are Ben Macredes, Gaslighter I; Des Maples, Banbury Clock I; Tom Carroll, Gaslighter II; and Conrad Messmer, Black Knight. Highlight of the evening was the 116 in by Bob Mayer who also had a high score of 126. Other high in's were Kip Fanjoy (100) and Tom Carroll (98).

* * *

Interest in darts is really spreading. George Hoffman and Carl Aydelotte of Gaslighter II are employed in different departments at Lockheed. We understand that there has been great rivalry between these two departments in softball. A couple of weeks ago Carl and George started talking about a dart match between the two departments. This came into being last Thursday (29) at the Gaslighter Theater.

George's 8283 team beat Carl's 8281 team, eight games to four. Everybody had a good time with a couple of the players going out and buying sets of darts. We understand that a couple of other departments have not only expressed interest but have challenged last week's teams.

It looks like we might have an all-Lockheed league next season.

The Gaslighter Theater II team seems to be dominating the Black Knight's Sunday afternoon tournament. Rich Speltz of Gaslighter II, has won two of the four matches and has taken second place in the third. As reported earlier Carl Aydelotte won the first match leaving the only match not won by a Gaslighter to Willy Buhl of the Black Knight.

The Black Knight tournament is held at 2 p.m. on Sundays with the Gaslighter Theater hosting one on Monday nights at 8:30.

The most hotly contested game tonight should be at the Lancashire Lad in Los Gatos. The Lad I team plays host to the first place Scuttlebutt. While Lad I is in third place, they are only two games behind the Scuttlebutt.

The second place Gaslighter I team will travel to Mountain View next week to do battle with the Scuttlebutt. As a result, we should have some real heads up darts in the South Bay League for the next two weeks.

Mugs!

DART GAMES TONIGHT (Nov. 4)

Banbury Clock II at Gaslighter Theater I, 400 E. Campbell Ave., Campbell.

Lancashire Lad I at Banbury Clock II.

Gaslighter Theater I at Scuttlebutt, 1100 El Camino Real, Mountain View.

Campbell cars dominate track

by Tom Carroll

Campbell built racing machinery dominated the 100 lap United States Auto Club midget races at the San Jose Speedway Sunday.

Bert Foland of nearby Mountain View tooled his Oakland based Jack London Offy to the checkered flag just two seconds ahead of Fresno's Tommy Copp in the Ollie Johnson Machine Shop Offy. Both cars were built by Campbell's George Benson of GMB Mfg. 545 Westchester.

Foland not only set a new one lap record of 14.620 seconds for the quarter mile but his 100 lap race time of 26 minutes 7.26 seconds was 4.49 seconds faster than George Benson's old record of 26:11.75.

Two other Benson built cars finished in the top ten. Gary Ponzini of Morgan Hill, driving the Sim Clark Chevy II finished fifth with Fresno's Billy Vukovitch wheeling into eighth place in the Wynn's --King O'Lawn Offy.

Benson, driving for the first time in several months, campaigned his new Los Gatos Body Shop -- Millers Benson -- Sesco Chevy. The car was sidelined before the feature race with carburetion and over heating problems but Benson was satisfied with the cars handling on it's first time out.

College seeks holiday jobs

Any business concerns having need of part-time help for the Christmas season are urged to call the placement center at West Valley College.

Mrs. Dorothy O'Brien, placement officer at the college, said that part-time jobs for students are urgently needed.

Those needing student help should contact Mrs. O'Brien at 379-1733, ext. 77.

Nomellini stars in benefit show

Leo Nomellini, famed football star of the San Francisco 49ers and members of the 49er football team will be on hand Saturday, Nov. 7, when Kirkwood Plaza shopping center holds a benefit program from noon to 8 p.m.

The day's events include a modern folk group show, a rock group and an auction conducted by Jack Epperson, as Bill Spendlove, general manager of Radio KLOK, acts as master of ceremonies.

Proceeds from the day's activities will go to "Big Brothers," a non-profit group that provides volunteer men as friends and companions to boys in our county who are growing up without fathers in their homes.

West Valley Sports

By Dick Sparrer

RUN FOR CROWN

The West Valley College cross-country team just keeps rambling on. The Viking runners, undefeated on the season and 3-0 in the Camino Norte Conference, will put that unbeaten string on the line as they host the College of Marin Friday at their Sara-

A win over Marin will clinch at least a tie for the CNC crown for the Vikings who ended second to DeAnza in 1969 play. Les DeVoe (Buchser) is Valley's top runner in '70 pulling in first in each conference meet this year.

The sophomore harrier set the Vikes Saratoga course record two weeks ago and snapped Solano's course mark last Friday with a 20:17 clocking.

TITLE ENCOUNTER

It seems to be a week of firsts on the West Valley College gridiron. The Vikings were behind for the FIRST time in 1970 last Friday against Solano, came from behind to win for the FIRST time in '70, 23-18 over Solano, gave up FIRST quarter touchdowns for the FIRST time this season last Friday, and battled for what could prove the Camino Norte Conference FIRST Friday night at 8 p.m. against top-ranked Santa Rosa on the SR soil.

"We have a lot of respect for Santa Rosa, they're a real fine football team," assessed Vike head mentor Bob Jones. "They run right at you, have good passing, and a good defense." SR holds a 6-1 season record and 3-0 in the conference.

The Vikings will look to quarterback Sonny Brasile, a Mitty product, receiver Scott Loomis, (Saratoga) and their awesome defense to pull out their eighth win of the '70 campaign. "We had a real awakening experience last week when Solano went out ahead of us," put in Jones.

"It was only the second time this season we've had any pressure on us. Now I hope we can really bounce back with a good, all out performance."

NOTICE IS HEREBY GIVEN that the City Treasurer of the City of Campbell has advanced the maturity on the foregoing bonds to January 2, 1971.

You are further notified that you may, prior to the date of advanced maturity, surrender said bonds and receive the principal and interest thereon to the date of payment together with the premium thereon equal to 5 per cent of the principal. If the bonds have not been sooner surrendered on the date herein fixed for advanced maturity, there will be set aside to your credit the amount of principal and accrued interest then due on the bonds together with a premium of 5 per cent of the principal, and the bonds shall then be deemed to have matured and interest shall cease to accrue on the bonds. The amount so set aside will be paid to the holders or owners of the bonds upon demand and upon the surrender and cancellation of the bonds.

Velma G. Olds, City Treasurer of the City of Campbell.

NOTICE OF TRUSTEE'S SALE

NOTICE is hereby given that on Tuesday, the 17th day of November, 1970, at the hour of 11:00 o'clock A.M. at the front entrance of 3133 Stevens Creek Blvd. in the City of Santa Clara, County of Santa Clara, California, SECURITY GUARANTEED AGENCY, INC., as Trustee, will sell at public auction to the highest bidder, for cash, in lawful money of the United States, all payable at the time of sale, the following described real property, situate in the City of Campbell, County of Santa Clara, State of California, and described as follows:

Lot 90, Tract No. 2232 Claralinda, as shown on a Map recorded in Book 97, pages 51 through 53 of Maps, Records of Santa Clara County, California.

Said sale will be made, without covenant or warranty regarding title, possession or encumbrances, to satisfy the obligations secured by and pursuant to the power of sale conferred in a certain deed of trust executed by CARL F. MARRUJO and CHRISTINE MARRUJO as Trustors, to SECURITY GUARANTEED AGENCY, INC. as Trustee, for the benefit and security of JOSEPH F. BASE JR. and CAROL C. BASE, his wife as joint tenants, dated May 20, 1969, and recorded June 3, 1969, in Book 8554, Page 324, Official Records of the County of Santa Clara, State of California.

Default was recorded June 19, 1970.
Dated: October 1, 1970.

NOTICE OF TRUSTEE'S SALE

On Monday the 23rd. day of November, 1970 at 10:05 a.m. at the South First Street entrance of the Valley Title Company at 300 South First Street, in the City of San Jose, County of Santa Clara, State of California, VALLEY TITLE COMPANY, a corporation, trustee, will sell at public auction to the highest bidder for cash, in lawful money of the United States, the following described real property, situate in the City of Campbell, County of Santa Clara, State of California, described as follows:

Lot 18, as shown on that certain map entitled, "Tract No. 3586", which map was filed for record in the office of the Recorder of the County of Santa Clara, State of California on September 25, 1963 in Book 167 of Maps, page 19.

BOOKS
at Campbell Library

THE COFFEE TEA OR ME GIRLS' 'ROUND-THE-WORLD DIARY, by Trudy Baker and Rachel Jones. (387.742)
Trudy Baker and Rachel Jones decided it was time to fly to foreign soil when their outraged manager of a domestic airline which provided the background for their first book exploded with. "You wrote that book!". The result was this international diary, filled with uninhibited people and racy adventures. Everywhere, there are men on the prowl, - and when they meet up with a pair of good looking American stewardesses, the chase begins.

Said sale will be made to satisfy the obligations secured by, and pursuant to the power of sale conferred in that certain deed of trust executed by Campbell Properties, Inc., a California corporation and Ben F. Priest, a married man as his separate property, as Trustors to Valley Title Company, a corporation, as Trustee for Cedric Sheerer and Gloria M. Sheerer, his wife, as Beneficiaries dated April 4, 1968 and recorded April 12, 1968 in Book 8087 of Official Records, at Page 422, records of Santa Clara County, California.

Notice of Breach of said obligations and election to sell real property was recorded in the office of the Recorder, said County and State on July 22, 1970, in Book 8994 of Official Records, at Page 424.

This Notice is given in compliance with the written application made to the Trustee by said Beneficiaries.

DATED: October 23, 1970.

RESOLUTION OF INTENTION OF BOARD OF SUPERVISORS OF COUNTY OF SANTA CLARA TO SELL REAL PROPERTY NO LONGER NEEDED FOR HIGHWAY PURPOSES

WHEREAS, County of Santa Clara has acquired for highway purposes certain real property no longer needed for such purposes, such property being more fully described in Exhibit "A", attached hereto and made a part hereof as fully as if set forth at length herein,

NOW, THEREFORE, be it resolved, that pursuant to the authority of Section 960.4 of the Streets and Highway Code, the Board of Supervisors of the County of Santa Clara do hereby declare their intention to offer for sale the above described real property.

BE IT FURTHER RESOLVED that such real property shall be sold subject to the following terms and conditions:

1. The minimum amount which will be accepted for the sale of such property shall be the sum of Twenty Four Thousand Dollars ($24,000.00).

2. The County of Santa Clara has purchased a preliminary title report from Valley Title Company, Escrow No. 149513. The successful bidder may close the transaction through this escrow if so desired at such title company. A copy of such preliminary title report is available for inspection at the title company.

3. All sealed bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check, made out to the order of the County of Santa Clara in the amount of Two Thousand Four Hundred Dollars ($2,400.00). All oral bids from persons not submitting written bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check in the amount of ten per cent of the minimum price specified in this resolution. No bid shall be considered unless such deposit is enclosed or provided therewith.

4. Written bids shall be on forms provided by the County and the bidder must designate in such bid which payment option he has chosen. Before accepting any written bid, the Board of Supervisors shall call for oral bids. Any oral bid must exceed by at least five per cent the highest written bid. In the absence of written bids, the minimum oral bid shall be in the amount specified in paragraph 1. Final acceptance of an oral bid shall not be made, however, unless such oral bid is reduced to writing and signed by the offeror on a form provided by the County and indicating therein which payment option has been chosen.

No commission shall be paid unless there is contained in or with the sealed proposal the name of the licensed real estate broker to whom it shall be paid. No commission shall be paid in connection with a successful oral bid unless the oral bid, when reduced to writing, states in or with such written document the name of the licensed real estate broker to whom it shall be paid.

5. The County may accept the bid of the highest responsible bidder (written or oral) or may reject all bids, as well as waiving any and all defects or informalities in any and all such bids. Any sale may be cancelled at any time prior to the recordation of the deed, in which event all monies deposited shall be refunded without payment of interest. In determining the highest proposal, the Board shall not subtract therefrom any commission to be paid in accordance with paragraph 12 hereof.

6. Within sixty (60) days of the date of acceptance of the bid by the Board of Supervisors, the successful bidder shall (a) increase his deposit to twenty-five per cent (25%) of the amount of the bid in favor of the County of Santa Clara, and in addition, (b) deliver a cashier's check, certified check or the equivalent in an amount of the Real Property Transfer Tax payable to the County Recorder of the County of Santa Clara.

7. Upon receipt of the additional deposit and payment required in paragraph 5, the successful bidder may, in the alternative, meet either of the following terms:

(a) The balance of the purchase price to be paid in the form of cash, certified check, cashier's check or the equivalent in the sum of seventy-five per cent (75%) of the amount of the bid, payable in escrow within ninety (90) days after the date of acceptance of the bid by the Board of Supervisors; or

(b) The balance of the purchase price (seventy-five per cent of the amount bid) to be evidenced by a promissory note by the successful bidder naming the County of Santa Clara as payee or obligee, such evidence of indebtedness to be secured by a first deed of trust (as a first security interest) covering the entire parcel being sold. Such note shall bear interest at the rate of seven per cent per annum to be payable on or before eighteen (18) months after date of recordation of deed. The deed of trust shall contain a clause providing for acceleration upon the alienation of title.

Upon receipt by County of all documents and money provided for in (a) or (b) above, and upon the recordation of such deed of trust, County shall record a deed in favor of the successful bidder.

8. Until the execution of and delivery to the successful bidder of the deed, the successful bidder acquires no right, title or interest or equity in or to such real property.

9. A failure of the successful bidder to increase the deposit or furnish the Real Property Transfer Tax provided for in paragraph 6 above, or a failure to comply with the provisions of paragraph 7 or any other provisions of this resolution shall give County the option to terminate the sales proceeding and retain from such deposit any and all expenses incurred by it and attributable to such sale proceedings.

10. The sale shall be without warranty, express or implied, and shall be subject to all liens, easements and encumbrances, whether of record or not, as of the date of recordation of the deed. The County of Santa Clara does not guarantee the condition of the property, nor does it assume any responsibility for its conformance to codes or regulations of the State of California or the city or county in which the property is located. It is the successful bidder's responsibility to determine all applicable building, planning and zoning regulations relative to the property.

11. Any and all expenses incurred in the transfer of title to such property to the successful bidder, including title insurance, escrow charges and Real Property Transfer Tax shall be paid by the successful bidder, with the exception that the County of Santa Clara will pay for the preliminary title report previously referred to.

12. In the event a commission is to be paid in accordance with the provisions of paragraph 4 above, County shall pay a licensed real estate broker commission in the maximum of six per cent of the purchase price, such commission, however, to be paid only in the event that the Board of Supervisors accepts a bid, only out of monies received by the Board of Supervisors for the sale of the property, and only after recordation of the deed. Such commission shall be paid as follows: Three per cent of the purchase price to the licensed real estate broker submitting the highest acceptable sealed bid and three per cent of the purchase price to the licensed real estate broker submitting the successful bid.

BE IT FURTHER RESOLVED that January 20, 1971, at the hour of 10:00 o'clock a.m. at the office of the Clerk of the Board of Supervisors in Room 524 in the County Administration Building, 70 West Hedding Street, San Jose, California 95110, is hereby fixed as the time and place at which sealed bids, in writing, for the purchase of such property will be received. The Board will open all such bids at a public meeting of the Board at the hour of 10:30 a.m., January 20, 1971, at the regular meeting place of the Board of Supervisors in the County Administration Building, 70 West Hedding Street, San Jose, California, and at which time and place oral bids will be received.

BE IT FURTHER RESOLVED that the Clerk of the Board of Supervisors shall publish this resolution pursuant to Section 6063 of the Government Code and shall post a copy of this resolution on the property and at two other locations customarily used by the County for the purpose of posting public notice.

PASSED AND ADOPTED by the Board of Supervisors of the County of Santa Clara, State of California, on October 20, 1970, by the following vote:(

AYES: Supervisors: Mehrkens, Sanchez, Quinn, Calvo, Cortese
NOES: Supervisors: NONE

ON CAPITOL HILL

with "Charlie" Gubser

In each two-year span, I write 104 issues of ON CAPITOL HILL. One hundred and three of them are written with varying degrees of difficulty. But the 104th--this one--is by far the most difficult. This issue must be set in type by election day, November 3, but it won't be read until the votes have been counted and the winners determined.

Though I have reasonable expectations of being re-elected, a glowing victory statement will look ridiculous if I lose. Conversely, I can't enthusiastically write about losing.

Faced with such a dilemma, two days after the last election and 728 days before the next one, this might be a good time to give you the innermost feelings of a candidate.

An incumbent has some advantage if he has done a reasonably good job. He has had the benefit of contact with the people he represents, and the prestige of being in office usually outweighs the brickbats that come with it.

On the other hand, the candidate who is "out" has no record to defend and has the option of sharpshooting at isolated parts of the incumbent's voting record from information compiled by special interest groups. To have information at the tip of this tongue to answer his opponent would be like requiring the incumbent to memorize the dictionary.

One thing about the current campaign concerns me. In my twenty years of campaigning for public office, I have never seen public apathy to the extent that it existed this year. In my own party, our excellent precinct organization of two years ago had deteriorated to an ineffective shamble. Despite repeated and urgent pleas to my own supporters I could not sense any real urgent desire to campaign in my behalf.

The stock reply was "Charlie, why worry?--You're a cinch." Perhaps I could write my supporters' apathy off as over confidence except for the fact that the Democratic Party, from what I understand, experienced the same difficulty. All across the nation every candidate had the same complaint. People just wouldn't be "turned on".

This apathy is particularly difficult to understand in light of the unbelievable increase in constituent mail which we receive on Capitol Hill.

During this past year I have received more than 50,000 letters from constituents. Without a doubt our correspondence workload has increased 100-fold since I took office as Tenth District Congressman in 1953. This would seem to indicate an increased public interest in our political system.

Perhaps this inconsistency is an indication that the mail which inundates Capitol Hill is from specialized interests and not from the broad spectrum of the American electorate. Spot checks in my own mail indicate that "repeaters", many of whom are stimulated to write by pressure groups, contribute a large percentage of my mail.

This raises the question in my mind as to whether the great bulk of the American electorate is surrendering its influence to minorities which are organized to exert pressure. It is an important question, the answer to which may hold the future of representative government.

Course given in microcircuits

The need for microcircuit technicians and engineers is evident in Santa Clara County. To help fill this need West Valley College is offering a course on the "Practical Fundamentals of Microcircuits."

On Monday and Tuesday evenings from 7-10 beginning Nov. 16 through Feb. 2, instructor Ronald J. Hruby will help acquaint technicians and engineers with the basic practical knowledge of microcircuits.

Hruby is currently an aerospace technologist and development engineer at Ames Research Center, NASA, at Moffett Field.

Participants interested in the non-graded class must register for the course at the Office of Community Services, 44 E. Latimer Ave., Campbell, room L-26, telephone 379-1733, ext. 58.

Boat builders call for help

The Veterans' Club at West Valley College has put out a call for help in a boat building project they have launched.

Members of the club and student body are building a 24 by 6 foot Viking ship to be used at all sports events. It's hoped the project can be completed by Nov. 14 when West Valley's football team plays De Anza College in their annual clash.

Community residents experienced and interested in helping the vets with their project are urged to call the student activities office, telephone 379-1733, ext 56 at the Campbell campus, or 867-2200, ext. 34 at the Saratoga campus.

BARE-KNUCKLES

On June 8, 1889, the last professional bare-knuckles boxing match took place between John L. Sullivan and Jake Kilrain.

NEVER TOO OLD---Fourth graders at Rosemary School enjoy the Hallowe'en parade in which the entire school participated last Friday. Mrs. Marge Foskett's class enjoyed a morning of showing off their costumes to their fellow schoolmates.

ONE OF THE PRIZES---Monte Estabrook painted this lovely picture which is one of many prizes which Mrs. Herman Rice, left, of Ada Rebekah Lodge No. 223, will be offering at their bazaar on Saturday. Center is Mrs. Estabrook and Mrs. Bartley Kilgallin, who'll be helping on the all-day affair.

BAZAAR ITEMS GALORE—Miss Lily Carney, Mrs. Ora Lowe and Mrs. Harley Erickson display some of the many items which will be offered at the Odd Fellows Hall Saturday when Ada Rebekah Lodge sponsors a bazaar Saturday from 9 a.m.–on. Mrs. Erickson will man a homemade donut booth in the morning, according to Mrs. Lowe, who is general chairman. A turkey dinner will be featured at 6:30 p.m.

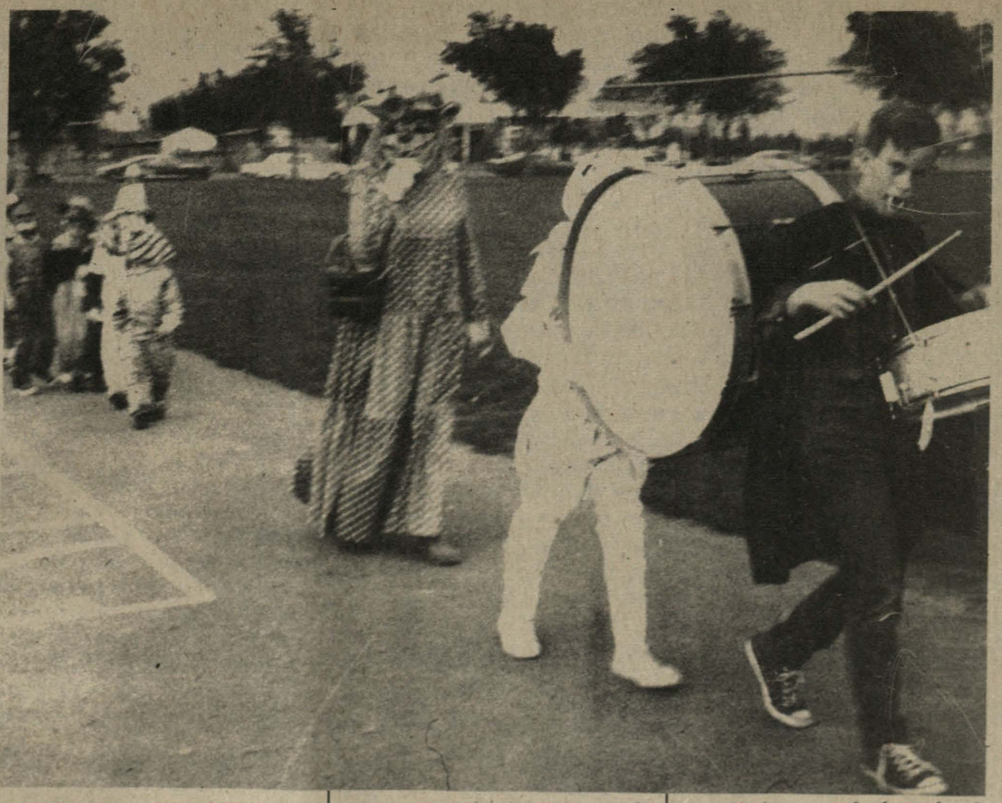
"WE FIT THE HARD-TO-FIT" AA-A-B-C-D-E-EE-EEE-EEEE

CAREFUL to crush all smokes dead out



COSTUMED PARADERS—Teachers and students at Rosemary School held a gala Hallowe'en parade last Friday. Led by students Bob Royer and John Thompson, a winding parade "picked up" each class and Pied Piper style marched around the schoolyard. Mrs. Joyce Parry's kindergarten joins the parade in this picture.

Girl scouts

NEIGHBORHOOD NO. 17

Six Patrol Leaders, Sharilyn Scoppettone, Debbie Hull, Carrie Pinkham, Carla Dean, Debbie Mott and Dawn Noble guided the remainder of Junior Girl Scout Troop No. 1018 to a successful Flea Market sale at Campbell High School parking lot recently.

Such things as toys, an antique mirror, card table, carpet sweeper, an even weight scale, a 9 by 12 rug and various knick-knacks earned $32.40 for the troop. The girls took turns manning the booth for the day. Mary McDonough enjoyed being a salesman so much she spent eight hours at her post.

"We did it for fun!" said Leader Mrs. Sandra Lynn. "The girls wanted to see the Haunted House at Westgate, so they earned the money." Mrs. J. D. Russell and Mrs. K. D. Casteel, the other leaders of the Rosemary School troop, and Mrs. Dance and Mrs. Bouchard transported the group.

Girls in each patrol are; Patrol No. 1: Marlene Canon, Cristol Millich, Karen Nylander and Carol Bouchard; Patrol No. 2: Cathy Murphy, Jana Hendricks, Lynn Keenan and Sarah Dance; Patrol No. 3: Florence Mylee and Susanne Robertson, Janise DeGul and Barbara Narragon; Patrol No. 4: Janie Russell, Mary and Theresa McDonough, Kathy Rieglar and Lavonne Keenan; Patrol No. 5: Sandra Schneider, Cherie Casteel, Dana Ingram and Tammy Mitchell; Patrol No. 6: Kim and Tracey Mogg, Karen Wolf, Christine Cordova and Laurie Nielsen.

A name for each patrol will be chosen next Monday during their regular meeting time. A troop scribe and treasurer will be elected as well.

NEIGHBORHOOD NO. 17

Girl Scout Leaders and service team members of Neighborhood No. 17 held their first meeting of this year at Roselawn Methodist Church.

The agenda included appointment of new leaders for Campbell troops, election of delegates to the Santa Clara Council meeting Oct. 27, distribution of 1971 G.S. Calendars to each troop leader, and a buzz session to exchange ideas between members.

Fresh bread, made by Mrs. W. W. Leach, and coffee were served.

Following the meeting troop plans were discussed.

Troop 303 of Sherman Oaks School, presented a 30-day plan for their girls that included participation in the "Litter Days Pick Up" at Big Basin; Investiture and Rededication ceremonies for troop members; a backyard overnight with food and games; a trip to the Haunted House at Westgate; and a night at the theater at Lynbrook High for the Tinder Box Play sponsored by S.J.S. Junior Patrons.

Leaders, Mrs. Charles Slater and Mrs. Charles Perston, will be guiding the girls in their plans. They will be assisted by Senior Scout Kathy Perston.

Troop No. 606 of St. Lucy's School, took part in the "Litter Days Pick Up" at Big Basin State Park (sponsored by the Sierra Club.) They had the sole honor of sorting all the litter that was turned in (cans in this box---crash the glass in that box---throw the paper and gunk over the side into the dump truck.) Following chores well done, a good night's sleep under the stars was enjoyed by all. Roberta Baumgartner, Colleen Beck, Julie Burr, Terri Bucher, Karen Cardona, Jackie Clanton, Teresa Calleja, Laura Connelly, Chris Conte, Elizabeth Farnham, Arlene Gonzales, Kathy Mansfield, Katie McCarthy, Kathy McGough, Karen Nagengast, Kim Tacchini and leaders Mrs. Frank Ambrosini and Mrs. Paul Calleja were involved in this service project.

BE FIRE-ALERT

FIRST TIME---It's always a thrill for kindergarten children to wear costumes to school for the first time and students of Mrs. Le Williams and Mrs. Joanne Skezas at Hazelwood School were no exceptions. The costumed youngsters thought this was the best school day ever, especially when their teacher dressed up too!
